THE TIMES.

WEDNESDAY, AUG. 1, 1906.

FARMVILLE.

Notwithstanding the fact that the mid-summer season is upon us our merchants are reasonably busy. Saturdays continue to be red-letter business days with us. I sometimes wonder where the people come from but they do come together and are cheerful and liberal. Of course our merchants are always glad to welcome them, and the more the merrier.

The dispensary is always to the fore front too in the financial fights and many are the dollars crossing the counter. I heard a country man say that when the bar rooms were open he could get an ideal julip or toddy, touch glasses with a friend and go on about his business but now he has to buy a bottle and swallow it down without ice or mint. The liquor problem has as yet to be solved.

Editor Hart, Maj. Blanton, Dr. Giles, Messrs. J. J. Walker and Branch Cralle, who took in the Boston trip, are still talking about the pleasurer of the visit to the Athens of America.

There was a unique religious service held in our town on last Sunday evening. It was conducted in the Baptist church, under the auspices of the Methodists. The singing was furnished by the Methodist choir, and the preaching was done by a Presbyterian. That's union in highest and truest sense.

The renovated residence of Mr. R. H. Paulette, on the corner of Main St., presents a handsome appearance and is the subject of favorable comment. It adds greatly to this most conspicuous corner of our town.

We have been having imported melons in our market, but most of us are waiting for the home supply.

Improvements on the Presbyterian church have been completed and it is now one of the most attractive church buildings to be found in a town of like size in the country.

Mr. C. W. Blanton and family have moved to their country home in Cumberland, for the summer and Mr. Blanton is improving rapidly in health.

On the windows of the store of Messrs. S. W. Paulett & Son, this unusual and significant sign appears "The old Reb store." Captain Paulette, the senior member of the firm has already put his tomb stone in position and had the same words chiseled on it. He is determined to live and die in the faith.

Miss Lucy Dunnington has been entertaining a happy house-party at "Poplar hill," the princely and palatial home of her father.

Mrs Atwood and daughters of your town, have been guests of Farmville friends of late, and though the weather has been warm the young people have been enjoying the german. "New figures" are constantly being introduced and I sometimes wonder where all the new figures come from.

The health record of Farmville, always good, has been excellent this season. I hav'nt heard of a case of fever this summer.

Mr. and Mrs. Eggleston have been guests of Dr. Eggleston at Wornham. Mr. Eggleston, while on his visit addressed the summer Normal in a pleasant and instructive manner.

Some of our merchants, while busy men, are given to some luxuries.

Mr. H. E. Wall's residence is not more than 300 yards from his store and yet he rides on horseback to and fro, and the same is true of Maj. J. R. Martin, who draws the reins over a quick stepper, though his lot adjoins that of Mr. Wall. Drs. Anderson and Giles never walk but are always on the ready to respond to the distress call.

It has taken almost as much time to pull down the old Methodist church as it should to build a new one.

The passenger trains of the N. & W. passing this point have grown in length until they look like freight trains. You can hardly see from end to end. That one railroad must be making money.

The furnishings for Dr. White's new drug store have not yet been received and the change of stores not yet effected.

Mrs. W. T. Blanton has beaten all her neighbors in raising tomatoes this season. Specimens from her garden cannot be excelled.

We don't just like that rumor about the Tidewater. Our hops has been that it might eventually come this way. Lunenburg will not tolerate the thought that the road will not be built and is confident of having the shops located within her borders. The site has already been selected and the name, Victoria, given to the new town. The name even smacks of victory. Three cheers for Lunenburg, the home of beauty chivalry and abounding hospitality.

Miss West, whose guiding hand is on the helm of the Westover, has been enjoying a brief and much-needed rest with friends in the county of Mecklenburg.

It looks as though we were to have more hanging scenes. The brutes who murdered that good man, the venerable post master at Tuggles, has told the horrid story and implicated others. Speedy trial and speedy conviction are now in order.

Mr. Lassiter, our nominee for Congress, is sailing the high seas while running for the prize. Rather unique canvass that, and yet a winning one. No Republican dares show fight in the 4th district only their Virginia strong-hold and Virginia's political spot.

Asthma Sufferers Should Know This

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 west 3rd street Davenport, Iowa, writes: "A severe cold contracted twelve years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one 50 cent bottle entirely cured me of asthma which had been growing on me for twelve years. If I had taken it at the start I would have been saved years of suffering."

L. E. Smith, Appomattox; W. B. Woodson, Concord; W. C. Nowlin, Spout Springs.

Now they are talking about projecting the beautiful auburn whisk ers of J. Ham Lewis in o the Thaw case.

If the Hartje case gets much worse it will yet disgust even Pittsburg.

The gentleman who wants to get in jail so bad, might find Harry Thaw willing to change places.

An Ohio girl went to jail rather than tell her age. Not so frank as Mrs. Carter.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and is often a habit at most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Name of Swamp-Root.

Don't make any mistake, but remember the name, Swamp-Root Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

If you would reach the homes of the people in Southside Virginia, especially Appomattox and Buckingham counties, place your advertisement in this paper.

THE BLACKSTONE SCHOOL FOR GI

In 1894, after a careful study of the situation, a Christian Training School was opened at Blackstone, and about $60,000 has been expended in the purchase of campus of twenty-five acres and in the erection of a massive brick building with all the modern appliances of Lighting, Heating, Sanitation. The founders was declared to be to give

"THOROUGH INSTRUCTION UNDER, POSITIVE CHRISTIAN INFLUENCES AT THE LOWEST POSSIBLE COST."

Instruction—This purpose has been carried out. Thorough instruction is given, and Blackstone graduates, in addition to the regular instruction in Seminaries, have received Normal training, all applicants for diplomas being required to take both Theoretical and Practical Pedagogy, including actual teaching in the School. The Blackstone certificate of diploma is recognized by educators as meaning what it says, and about five hundred teachers have shown the practical value of the school.

Characters—But at Blackstone, character is regarded as the student's richest possession, and boarding school life is known to be a critical time in the formation of character. The greatest aim of the faculty is to direct and stimulate the development of the character of the students committed to their care. Direct contact of the teachers with the teacher is one of the greatest benefits of the school life, and hence all at Blackston all live in the building with the girls, and meet them not only in the class-room, but in every relation of the school life. The atmosphere of the school is wholesome, inspiring, and uplifting, and the influences are positively Christian.

Cost—The cost is less than at any other school in the State of equal grade. One hundred and fifty dollars ($150) per session pays for Board, Laundry, Medical Attendance and Tuition in all departments of Academic and Education, which subjects are charged at correspondingly low rates. It has been the aim from the beginning to so conduct the school as efficiently large to give to parents the benefit of low rates for instruction, but not too large for the Principal and his helpers to know and study each individual care. This result has been attained. If you want a school where you can be sure of thorough instruction under positive Christian influence at a low cost, write for catalogue to

JAMES CANNON, Jr., A. M., Blackstone, Va.

For the next session, twenty scholarships, worth $75.00 each, will be given to young ladies who are unable to meet the full expenses of the school, but who are sincerely anxious for an education to be willing to assist the housekeeper in the dining-room.

Circuit Court convened in special term here on the 31st and the case against Joe Cobbs was first on docket and he was discharged as those whom he shot seemed "unwilling to prosecute." Judge A. S. Hall appeared for the defense. T. J. Wright was also released giving a bail bond of $2400 for his appearance at the next regular term of court. Congressman Flood is his lawyer.

Frank Turpin, charged with attempting the life of Supervisor Guthrie, got three years in the penitentiary.

Wilson Ellis goes down for ten years for murder. He was tried more as if he had killed Reuben Jones, and Jones' evidence was treated as if he were a dead man. It was excluded. Messrs. Flood, Strode and Gayle made an able team for the defense, pulling together with one common end in view. Commonwealth's Attorney Hubbard and F. C. Moon conducted the prosecution and they seemed to leave no gap down through which the accused might escape. It is said that Congressman Flood and Senator Strode got $1000 as their fees in this case—$500 each and I hear that Ellis was well content with the verdict. The line of defense was that Ellis would have been justified in killing Rube Jones and it was in evidence that Jones had beaten Wilson Ellis, had whipped his wife on occasion and had tried to ride his horse over her on another and had intimidated and mistreated Ellis, man and wife for some years. Margaret Ellis appeared in court with a year-old pine sapling in her hand and holding it by the small end, showed the jury how Jones had beaten her with the big end until, (as she claimed) she was unable to speak. The wife then told of her relating the facts of this beating to her husband when he got home, how he wept and declared he had stood this treatment as long as he could and left home in that frame of mind the night before the killing. Wilson Ellis, the husband told how he went on to White Hall and waited for day, and the Justice, from whom he got the warrant, telling the Justice he would not like to meet the man Jones, and of how he thought he had met him and of his firing the fatal shot and killing an innocent man by mistake and asking the mercy of the court.

Judge Gordon is steadily gaining in the estimation of the people here and lawyers and laymen are agreed that he makes a fine judge.

The fever patients at Dillwyn are improving and it is a subject of remark how small a per cent of fever patients in Buckingham die.

Andersonville.

Some of your readers send messages—"Let us hear from Andersonville." With your consent they shall be gratified to some extent at least.

The good book says it's more blessed to give than to receive, so many poor mortals of us have the muck-rake we don't see the crown just above our heads as Christians mercy, and the four children saw in the house of Interpreter and as Mr. Roosevelt sees in the political world. A few days ago two persons were described to me by two others; one was a man who has been handling the muck-rake for many years, he was described as one of the most miserable men in the county in which he lived. The other was a minister's wife, in one of Virginia's cities, who was rich, a leader in society, professed religion, went to work in the slums for the conversion of sinners When a certain judge was converted he was asked what brought him to Christ, and he replied, "the life of this young lady." What a contrast in these two lives when the good book says 'Whosoever will.' Reader you are one of the whosoevers. Well I did not start out to preach, but the Tabernacle meeting is not long past. It's effects remain. We had a good time there, if you don't believe this scribe just ask cousin Hattie, don't know how much you missed. Mr. Trent Moseley was in Lynchburg when Sam Jones had a meeting in Pace's Warehouse many years ago. In describing the meeting, with the many lights, the thousands of upturned faces, the five hundred voices in the choir and it's general surroundings, said if Heaven were any prettier or a sweeter place he wanted to get there. So I say about our Tabernacle. You can live there for about what it costs you at home.

The meeting at Enon commences the 2nd Sunday in August. Bethel will be same time in September so says our P. C.

Those who attended the Association from this neighborhood enjoyed it no little. Good folks those Sharonites. Many dear to my heart over there. Some of those fellows over there have good Methodist wives, sorter Darley Varden you know. Good combination I have tried it.

Well the first thing asked when
